Math	Games of Math 3 - Multiplication					
Product Description: Learning multiplication facts and related lessons is now a truly exciting game. Students begin at the appropriate level: beginning, intermediate or advanced. There is a practice section to work on specific multiplication problems. Then the student builds skills while playing challenging games such as; baseball, long jump, ballooning, basketball, skiing or bowling. Each of these games is engaging and fun with 11 levels of play. The objective is to complete each level and earn the gold star certificate while building multiplication skills and fluency. Games of Math 3 - Multiplication is targeted for ages 7 and up.

Language Arts	Phonics 2a - Intermediate Level					
Product Description: Intermediate Level Phonics begins with a review of basic Phonics concepts and sounds. The Learn the Words section helps the student see a picture of the word, see and hear the word, then see and hear how the word is formed phonetically. Learning intermediate Phonics becomes a finger-snapping experience with this musical multimedia program that teaches blends, digraphs, diphthongs, rhyming words, compound words, synonyms, antonyms and homonyms. Exciting and challenging spelling and review games give students a jump-start on reading and spelling. Winner of a Parents' Choice Gold Award Phonics 2a is targeted for ages 5 to 9.

Language Arts	Phonics 2b - Intermediate Level II					
<p>Product Description: Intermediate Level II is designed to work on problem areas of the English language and to build the skills students will need to be more comfortable at reading, encoding words and their meanings. The lessons are presented as animated and interactive stories starring the "Super Star Kids". The Learn the Words section transitions students from word sounds to syllables and sentences, followed by a Speed Round. The program features both an interactive activity and a challenging game to help students understand and apply the subject concepts and to keep them engaged. Phonics 2b is targeted for ages 7 to 11</p>

Language Arts	Phonics 3b - Advanced Level II					
<p>Product Description: Phonics 3b is based on third-grade standards, but the scope of topics and level of challenge make it appropriate for fourth, fifth, and sixth-grade students as well. Subjects covered include types of literature, writing a paragraph, nouns, pronouns, adjectives, verbs, subject-verb agreement, verb tense, punctuation, capitalization, spelling strategies, reading comprehension strategies, and more. Phonics 3b will appeal to both boys and girls, and is especially helpful for students who require lots of action and activity to keep their attention. Phonics 3b features the Gold Medal Motivational and Data Tracking system, which encourages students to earn bronze, silver, and gold medals by completing each lesson. Phonics 3b is targeted for ages 7 to 12 and older.</p>

128 MB RAM or higher
CD-ROM drive, sound card, mouse and speakers

ONLINE/Web Subscription

Online/Web pricing is not to be discounted (other than prorated discounts) without approval

- Online Subscriptions run for the school year ending beginning Aug 1.
- The minimum subscription is 25 subscribed users.
- The cost of a subscription is determined by the number of courses plus a \$3 per user hosting and maintenance fee. Example: 8 courses @ \$1 each plus \$3 = \$11 subscription times the number of subscribed users = total cost

Hosting and Maintenance fee (1 required per user)
