

NEW! K-Adult. The **RM Asus Eee PC** is the perfect choice for students; a genuine "anywhere, anytime access" device at a **startlingly low price**. Weighing **just over 2 lbs**, it combines the portability and quick-start of a PDA with the capabilities of a notebook. Incorporating Intel Mobile Ultra Low Voltage (ULV) technology, the new RM Asus Eee PC offers unbeatable levels of performance and mobility for the price.

Perfect for 1 to 1 Initiatives

The RM Asus Eee PC has been designed for students and teachers to use at home, at school or on the move. Small and light enough to be taken anywhere, the robust design offers increased protection against the bumps and grinds of mobile computing in the education environment.

Everything a student requires in a notebook
